Dmitrii Kupriunin

PROFILE

Valencia, Spain | +34 600 632 011 | kupriunin@gmail.com | https://github.com/dimalovesbomb/MCA-test

Frontend Developer with 4+ years of experience crafting responsive, intuitive, and accessible websites and web applications. Skilled in HTML, CSS, JavaScript/TypeScript, and React, with a keen eye for detail and a strong focus on delivering seamless user experiences. Enthusiastic about tackling challenging problems and translating complex requirements into elegant, user-centric solutions.

SKILLS

HTML5, CSS3, Javascript, Typescript, React, NextJS, Vue2, Node.js
React Query, Redux, Redux-Toolkit, Redux-thunk, React testing library / Jest, Styled-components, React-Native, Vuex, AgGrid, React Charts, Webpack, Babel, Express.js, Socket IO, MongoDB, SCSS, Bootstrap, Material, Tailwind CSS, REST API, NPM, YARN, Docker

EXPERIENCE

SOFTWARE DEVELOPER, EPAM; YEREVAN, ARMENIA – JULY, 2022-CURRENT

- **Developed and maintained** a high-performance e-commerce web application using React and Next.js, focusing on building scalable, user-friendly features.
- **Implemented new features** using React, Next.js, Redux Toolkit (RTK), and React Query (Tanstack) to enhance user experience and functionality.
- **Collaborated with a cross-functional, international team** to ensure seamless integration and consistent performance across the application.
- **Conducted interviews, code reviews** and provided mentorship to newcomers, ensuring high code quality and helping with onboarding processes.
- **Participated in Agile methodologies,** contributing to sprint planning, daily stand-ups, and retrospectives to improve team efficiency and product quality.
- **Wrote unit tests** using React Testing Library and Jest to maintain code integrity and prevent regressions.
- **Boosted application performance by 12%** in critical areas such as the cart and checkout processes, directly improving the user experience and conversion rates.

FRONTEND DEVELOPER, LANIT; MOSCOW, RUSSIA – OCTOBER, 2020-JULY-2022

- **Maintained and enhanced** web applications using React and Vue.js, focusing on feature development and refactoring legacy codebases.
- **Integrated TypeScript** into a Citi Bank project, significantly improving code reliability and reducing bugs. Trained and mentored team members on proper TypeScript usage, leading to smoother development processes. Used AgGrid for complex custom forms.
- **Developed a React Native HR app** as a side project, streamlining internal processes and showcasing innovation beyond assigned tasks.

WEB DEVELOPER, FREELANCE – 2019-2020

- **Completed diverse tasks** on various freelance platforms, consistently delivering high-quality work under the guidance of an experienced developer.
- **Developed a custom web application** for a local coffee shop using the MERN stack (MongoDB, Express, React, Node.js), enhancing their online presence and customer engagement.

EDUCATION

Skillbox courses of frontend development (2019-2020).

China Mining University (Beijing, China) 2016-2018, Mandarin language courses.

Krasnodar State University (Krasnodar, Russia) 2011-2015, Applied Mathematics.

LANGUAGES

English (B2+), Spanish (A1+), Russian (native), Mandarin (A2+), Ukrainian (B2)
